**DMV Dedicated to Serving Military Members, Veterans and Families
*DMV 2 Go Mobile Office Visiting Three Special Events in March***

RICHMOND – DMV’s mobile customer service center called *DMV 2 Go* is traveling across Virginia providing services to military members, veterans, and their families.

DMV 2 Go is a handicapped-accessible full service office that provides all DMV transactions including applying for and renewing driver’s licenses, adult and child ID cards. Road and knowledge tests are available, and applicants may get their pictures taken and complete vision screenings. Customers can order disabled parking placards or plates, and get vehicle titles, license plates and decals.

DMV staff can assist with services specific to veterans including applying for the Virginia veterans ID card. The veterans ID card serves as proof of veteran status to receive discounts from retailers and restaurants. Staff will also accept and process certificates of disability, which allow veterans to apply for a registration fee exemption. DMV offers more than 30 military-themed license plates.
